\$1.00 per year, 5 cents Single copy

New Slate of Officers

On Wednesday, December 2nd, the United church hall was the centre of attraction for the people of White Rock where a large crowd attended the annual slate, one of the most successful ever held in White Rock.

Mrs. Calderbank and Mrs. Campbell, conveners of the sewing table had a splendid assortment to choose from and by choosing time were sold out. The Provision table convoked by Mrs. Neilson and Mrs. Angus supplied the wants of those looking for table delicacies, and from there the guests enjoyed afternoon tea and a visit with friends. Mrs. Saunders and Mrs. Colishaw were in charge of the Tea table. Both socially and financially this affair was a marked success and the committee wish to thank each and everyone for their assistance and support.

The W. A. held their regular meeting on Thursday afternoon and the election of officers took place. A complete new slate of officers was elected by acclamation, as follows: Mrs. J. Sinclair, hon. president; Mrs. Graham, president; Mrs. Campbell, 1st vice-president; Mrs. Work, 2nd vice-president; Mrs. Edwardson, secretary; Mrs. Saunders, treasurer; Mrs. Lashley Hall, Missionary convener.

The reports of the various committees for the past year were most encouraging and an equally successful year is looked forward to with the new officers. At the close of the meeting refreshments were served. Mrs. Wright and Mrs. Edwardson were hostesses.

LOOKING IN

AND LOOKING OUT

By Quercus

There must be many in White Rock, as well as in Vancouver, who have pleasing memories of the late Dr. Edwin Enoch Kinney. The doctor was a dentist by profession, but that he was also a poet of no mean order was, though well known to his intimates, not so well known to others, for like many poets he was of a modest and retiring disposition.

It was therefore the very good fortune of this writer to be loaned by the doctor's widow, a loveable, hale and cheery resident of White Rock, a book entitled, "Western and other poems" by her late husband. These poems breathe a love of nature, an appreciation of scenic beauty, and a kindly feeling for his fellows which was undoubtedly typical of Dr. Kinney. To see and to know White Rock would naturally inspire a poet, or an artist and the short—all too short—poem entitled "Semiahmo Bay" came as no surprise!

"When I was dreaming day
dreams and building castles
fair,

There came a low voice calling
from out the summer air
And it was sent by balmy winds
that blew from off the sea,
To where the tall trees took it up
and passed it on to me,
That mystic voice was calling me,
calling me away,
And now I know 'twas calling me
to Semiahmo Bay.

This truly is the fairy land I saw
in dreams afar,
Where sapphire skies and distant
hills and sunset splendours are,
Where great trees guard the ell-

SURREY COUNCIL

A few requests for ditching and gravel constituted most of the ward troubles at Monday's regular meeting of the Council. A letter from Tom Reid, M. P. stating that he was placing the council's request for permanent renewal of the lease for rental of the Park property before the Indian department, was filed.

A delegation representing the V.O.N. asked for assistance for an other nurse to assist Miss Bowden. The Reeve pointed out that the Provincial Government was prepared to grant \$40. per month toward the salary of another nurse, under the circumstances.

After some discussion the Council decided to make a grant of at least \$60.00 toward the new nurse, if one could be obtained.

A decision was made to add \$3.00 to the December checks of single assisted persons, and an extra \$1 for each child, in place of the usual hamper idea.

The engineer stated that a load of plank for the side walk on Washington Avenue had been obtained but he did not know when more would be possible.

A. & N. V. LADIES' AUXILIARY

The regular monthly meeting of the Ladies' Auxiliary to the Army and Navy Veterans, unit 46, was held at headquarters on Tuesday, Dec. 1, at 2:30 p. m.

Mrs. Henry, president, proceeded with the general business of the Auxiliary. Mrs. Hillman, secretary, gave a brief outline of the year's work. Mrs. Seabrook, treasurer, read the year's report of finances which proved a most successful year. Mrs. Henry asked Mrs. Hewitt to take the chair during the general business of nominations and election of officers for the coming year, 1943.

Mrs. Henry was reappointed by acclamation to the office of president for the coming year.

The following were re-elected by acclamation: Mrs. Oswald, first vice-president, Mrs. Hewitt, second vice-president, Mrs. Hillman, secretary, Mrs. Seabrook, treasurer.

Mrs. Henry then returned to the chair and kindly thanked all members for their trust in acclaiming her again president for the year 1943. She also spoke of being well pleased to have the same officers to work with her again another year.

The men's unit of the Army and Navy Veterans are again giving the children of the members the annual Christmas tree. The ladies' Auxiliary will give a helping hand, so cheer up kiddies Santa Claus will soon be around again at White Rock and will present each youngster with a gift. Don't forget, boys and girls, be good and just wait and see what Santa brings you.

A.R.P. NOTICE

There will be no meeting of the First Aid and Home Nursing unit, Jan. 1st, 1943. An effort is being made to obtain new equipment and it is hoped that this will create still further interest. Please keep this date open and let us have a good turnout to start 1943.

The wardens will meet on Monday, December 14th, at 8 p. m. in the Legion hall. This will be the last meeting of the year. A future date for the cancelled field demonstration will be discussed together with future activities.

LEGION OF FRONTIERSMEN

"E" (B.C.) SQUADRON

Owing to government orders the White Rock Frontiersmen have had to cancel their Turkey Shoot this year. This event, which has met with increasing popularity each year will be missed by many. However, no one will quarrel with the action of our government in restricting the use of ammunition for pleasure and turning all available sources of supply to the one purpose of bullets and bombs for victory. So sorry boys and girls.

But its No Turkey Shoot for Christmas

It has been the custom for "E" squadron to make a donation to the Red Cross out of the proceeds of the Turkey Shoot.

As the need for our unceasing support of this organization becomes more apparent as the call on their services become heavier especially in needed help to an increasing number of prisoners of war the squadron feel that the Red Cross should not suffer i. e., our boys should not suffer on account of a very necessary government restriction. So a donation has been made to the White Rock branch as in other years.

UNITED CHURCH HALL,

DECEMBER 14th

The monthly Red Cross meeting will be held on Monday afternoon, December 14th in the United church hall at 2:30.

The success, financially of the No - Christmas - Cards in White Rock group, last year, was so marked that many have given in their names as members this year. Friends, seeing your name listed in the local papers, will understand that instead of sending local cards, you are giving the money to the Red Cross.

The following names were handed in this week: Mr. and Mrs. W. J. Moffat, Mr. and Mrs. George Thrift, Mr. and Mrs. Peter Robinson, Dr. and Mrs. Lashley Hall, Rev. and Mrs. Frank Hardy, Mrs. Elizabeth Work.

Any who wish to join this group please hand your name to Mrs. W. J. Moffat or any member of the Executive.

A. & N. VETS' WHIST DRIVE

Don't forget the Military Whist Drive to be held at the Army and Navy hall on Wed., Dec. 16th at 8 p. m., sponsored by the Ladies' Auxiliary to the Army and Navy Veterans. The proceeds to go to the general fund.

Good prizes; also refreshments. Admission 25 cents.

Santa Claus has promised to be at the Park Theatre and shake hands with all the children at the FREE SHOW on Christmas morning.

Another slide, though of a smaller nature, has developed alongside the one that was repaired last summer on Washington avenue.

T. G. Angus spent the weekend at his home in White Rock. Mr. and Mrs. George Angus also visited their home over the weekend and were joined on Sunday by Pte. R. Hogan of the R.C.O.C.

Frank Moffat, R.C.A.F., received his wings at Yorkton on December 6th, and is now on a visit to his home. He anticipates crossing the big pond at the end of the month. No, he is not going to swim.

SEMAHMOO SIDELINES

The past two weeks have been very eventful for the Semiahmo High School.

On Friday, Nov. 27th, we had the pleasure of seeing some war pictures in the Auditorium, due to the kindness of the Publicity Department of the Army, and the co-operation of Mr. Sanford. The show continued from 3 p. m. until 4 p. m.

The girls of the Red Cross are still holding their weekly benefits in aid of the cause. On Wednesday, November 26th, they had a shoe shine day, charging 5c. a shine, with the girls boldly getting down and polishing the students' shoes. The following Wednesday an apple sale was held, realizing the amount of \$1.89.

Friday night was a gala night for the students as we held our first mixer of the year. The gymnasium was gaily decorated with red and green streamers and red Christmas bells. Our school colors, red, blue and white, were put in with the other colors also making it very effective. About 180 pupils attended with some additional outside guests, graduates and ex-students. The mixer started at 8 p. m. and ended approximately at 12 p. m. Refreshments of doughnuts and pop was served at 10:30. A varied programme had been arranged and every one enjoyed square dances, reels, waltzes and fox trots. From all reports it was thoroughly enjoyed by all.

Our students have had the privilege of getting student Association cards, and due to the kindness and generosity of Mr. Graham, of the local Park Theatre, we are being allowed a students' price in the Theatre with these cards.

Last week we observed Navy League week, the students donating \$30. Also the girls collected 161.72 for the Russian Medical Relief.

The battle for points still goes on in the inter-house competition, each pupil cheering for his own house. The score to date—White 99; Red 91; Blue 83.

ENGAGEMENT

Mr. and Mrs. Wm. Hanslow, White Rock, B. C., announce the engagement of their younger daughter, Joan Alicia, to Alfred Henry, younger son of Mr. and Mrs. Somerton, Dawson, Y. T. The wedding will take place in the White Rock United church at 7:30 p. m. on December 29th.

Pilot Officer, Norman Keene, R. C. A. F., son of Alec Keene Royal Avenue, is credited with shooting down another Focke-Wulf.

Jimmie Champion, R. C. N., spent the week-end with his parents, Mr. and Mrs. J. Champion, at White Rock.

A piece of raspberry cane was brought into this office last Friday on which was twelve ripe berries. A great boost for the glorious climate of White Rock.

Mr. T. Mighton, of Vancouver, father of Mrs. W. A. Smith, and her cousin, Mrs. P. McLaren, were Sunday visitors in White Rock.

As we gather about the family board . . . let us remember the houseless and the homeless and unbelieved, and be sure that we have done something to make sunshine in their hearts—Henry C. Potter, D. D.

POSTPONEMENT of OLD AGE PENSIONERS MEET

Owing to the inclemency of the weather, it has been decided to postpone the regular monthly meeting of the association, from the advertised date of December 9, until December 16th at 3 p. m. in the White Rock hotel, when the splendid programme scheduled for December 9th will be presented.

Rain or shine the postponed meeting of the Old Age Pensioners will take place at the hotel, White Rock, on Wednesday, Dec. 16.

PRO. REC. NEWS

Our instructors were snow bound this week, but the boys managed to get a good work-out through the co-operation of Tommy and Ritchie. Next week will be the last one until January, so come on gang let's have a big turn out. The hall is heated. No excuse now. Let's get behind the instructors. If we don't we are going to close up and no fooling.

Legion Christmas Party

Children of Auxiliary and Legion members and men in the armed services, 12 years old and under are invited to the Legion Christmas party at the White Rock hotel at 3 p. m. to 4 p. m. on Wednesday afternoon, December 30th.

Homemakers' Corner

"Time doth softly, sweetly glide
when there's love at home"

Dear Homemakers—

A few days ago three very young children from the neighborhood came to our home to play. Believing that children engaged in an interesting activity are not likely to get into mischief, and seeking to capitalize on the child's creative instinct, we gave them crayons and paper with the suggestion that they draw a picture of a horse.

In due time two of the youngsters displayed quite creditable results. At least with some explanation on the part of the artists, it was possible to detect in the pictures a resemblance to a horse. But the third child produced a weird conglomeration of blobs that would defy the strongest imagination to identify with any member of the animal kingdom. However, he seemed very pleased with his effort, but was bewildered and disappointed when the other children, with cruel candour, burst into loud derisive laughter as they pointed to his work of art.

His lips trembled and tears filled his eyes. But even as we expected him to burst into a torrent of protest and moved to comfort him, a new thought seemed to strike him. The tears disappeared and he exclaimed with conviction: "Well, anyhow, my mum will like it." And with this parting shot and tightly grasping the redolent picture, he went home.

How often are young people turned from a course leading to some worthy achievement because they are discouraged by the failure of their associates duly to appreciate their initial efforts! Let homemakers be the source of such sympathy and encouragement as will enable the members of their families to remain steadfast in the face of a critical world.

We are grateful to those readers who have kindly written us encouraging letters, and we shall be glad to hear from others.

WHY A MUNICIPAL INSPECTOR OF SCHOOLS?

Report has it that the Surrey Municipal School Board is considering a proposal to appoint a municipal inspector of schools. Such a proposal is not likely to receive the approval of the ratepayers of a district where the ability to pay taxes has never been sufficient to provide for more than the bare necessities of municipal existence. Assuming that the Provincial Government would pay part of the salary of a municipal inspector of schools, the establishment of such an office would entail considerable expense. A secretary, office equipment, supplies, and transportation facilities to the twenty-seven schools would all have to be paid for.

If the School Board has been fortunate enough to have extra funds placed at its disposal it would be well advised to devote them to increasing the salaries of the teachers who are doing the real work of educating our children. These teachers have spent much time and money to become qualified for their all important work, and they are under great strain for several hours each school day training for future citizenship a large number of children coming from various types of homes. If we wish to retain the best teachers we have and to attract the best to fill vacancies we must continue to raise the salary scale. At present many of our teachers are receiving less remuneration than young school leavers recently gone into war industries.

The luxury of a municipal inspector of schools can well be forgone for some time, and the efficiency of our schools improved by increasing the rewards for service rendered by our teachers. What we need is not more dignitaries but more dignity for the teachers.

Cottage meetings as arranged.

Evangelist Peter Dewar

CORRESPONDENCE

Dear Sir:

Anyone who missed the Hospital meeting will be glad after reading what Quercus had to say about the audience. Often, though, people are not so dumb as they appear, for it takes a certain level of intelligence in the observer to appreciate the situation.

The trouble with the hospital idea is that it has been suggested at the wrong time. Even a cottage hospital should not be undertaken without at the very minimum ten thousand dollars on hand. And that will not provide much of a hospital either. In view of the fact that after the war we are promised co-operative effort in these public utilities it might be well to work toward that, because

White Rock is not a very co-operative place on the whole. Could we organize a medical and hospital unit such as Kamloops did some time ago?

Actually the hospital idea depends more on one thing than any other for success. That is sewerage. Imagine having to promote a hospital with the lack of sewerage we get on with! It would be criminal.

However the A.R.P. or Red Cross or V.O.N. should have well in hand plans for an emergency such as arose after the previous war. This would be organized to get by with voluntary aid and utilize what we already have. Such a thing may not occur but energy devoted to more ambitious ventures should be diverted to this. Even then our sewerage system would be a terrible handicap.

Mrs. W. Garland Foster.

Sir:—

The collection on Saturday for the Russian Medical Aid seems to have netted a very poor result. Whether this was caused by a lack of enthusiasm on the part of the students or on the part of those who were responsible for organizing the collection, I cannot say, but certainly the organizing was sadly defective.

As the collection routes were apparently inadequately staffed, at least in White Rock, it would be interesting to know how many were appointed to cover the area and how the routes were mapped out, and also why weren't all high school students, both male and female, practically commandeered for the job of doing their bit—a very little bit, towards winning the war? Do these students realize that the freedom they enjoy today would in all probability not be theirs had not Russia in her mighty strength and valor been able to keep the German hordes from conquering the world, which would have included them? How very differently they do things in Russia?

If White Rock were any criterion by which to judge the rest of Surrey it sadly reflects upon those responsible for organizing the collection.

In a population of some sixteen thousand it cannot be said that the sum of around \$600 was at all commensurate with Russia's marvellous struggle for what amounts

to the freedom of the world.

I know a number of people in my own immediate vicinity who were not called upon, and personally I did not see even one collector. What a contrast to "Poppy Day" when collectors were everywhere.

And yet I cannot think the paucity of this collection was due to a want of enthusiasm to the cause on the part of the public for with the exception of perhaps a few "British Israelites" who are engaged in spreading subversive propaganda against Russia, I know of no one who would not have given.

A. Chilverton, White Rock.

CWAC Recruiting Party Coming

All next week, December 14 to 19 inclusive, a C.W.A.C. Officer and Party will be in the Fraser Valley Area.

Headquarters at Drill Hall, New Westminster

2000 GIRLS are needed from British Columbia for the Canadian Women's Army Corps! They are needed to release men for the combat forces. You are eligible if physically fit, single or married without dependents, between 18 and 45, and a British subject.

NOTE—Girls in medical category "C" can now enlist by special authority. "A" and "B" categories can enlist directly on application to the nearest Recruiting Officer—it is now not necessary to be referred to headquarters. When applying bring three letters of recommendation as to character.

Watch for Announcement of Exact date
for your Locality

C.W.A.C.
CANADIAN WOMEN'S ARMY CORPS.

You Can Enlist and Obtain Leave
(without pay) until the New Year!

Radio Warnings

Following decision of the Provincial Civilian Protection Committee to use radio station as an addition to established warning system, it has been found necessary to divide the province into four areas to be known as "Blackout Areas 1, 2, 3, and 4." These blackout areas should not be confused with the "danger areas" and are designated for blackouts and radio silence.

As an example of how the warning works, here is a sample message ordering a Precaution, Blackout, and a radio silence. The message will be preceded by a steady siren signal for 30 seconds, followed by the announcement:

"By order of Western Air Command headquarters, a precautionary blackout has been ordered in area (or areas— and—). British Area— (or areas— and—) blackout your premises as quickly as possible in accordance with ARP regulations."

"Radio silence has been ordered. This station is required to leave the air, but it is suggested that you keep your radio tuned in. Please avoid using your telephone during this emergency unless vitally necessary. All available telephone facilities must be kept clear for Defence Forces and Civilian Protection workers."

Both the siren signal and message are immediately repeated, then the station leaves the air.

There are several types of messages, all of which are quickly and easily understood. The siren signal precedes an order for radio silence only, such as might happen in the daytime, or might be required at night, but without a blackout. The wailing signal of the siren precedes the order for "immediate danger" blackout while a warden's whistle precedes the "all clear" message.

The radio messages are to warn

AT OPENING OF ALASKA HIGHWAY

Hon. Ian A. MacKenzie, Minister of Pensions and National Health, is shown as he made his address during the official opening of the new highway to Alaska. The historic ceremonies were held on a spot that a few months ago was dense wilderness. Note the small tree in the background which has been utilized as a flag pole.

In addition to the established system of all clear, the radio is left on, in therefore the householder will most cases touch with what is ordered when the "all clear" comes through.

Through the "area" system, only those areas which the Western Air Command order blacked out will be affected.

The radio system will be ready for this service December 5.

Editor Semihmoo Sun:

In the September 1936 meeting of the South Meridian Ratepayers association a member introduced a motion that was passed unanimously. It suggested that we endeavour to secure the old mill site

for a public park.

Mr. Earl then of the Mill Store, and myself, made out a petition in July 1937. Mr. Tom Reid, M. P., endorsed and about 800 people signed the petition. We met Mr. T. Reid at the Municipal council chambers, Cloverdale where he offered terms, apparently authentic. Later it was endorsed and returned to me. We then sent it to the member, T. Reid, at Ottawa.

The White Rock Board of Trade got their charter in May, 1937. That body took up the matter of the Park, not from its inception as stated in the Surrey Leader recently.

W. J. HARGOOD

Editor Semihmoo Sun,

Dear Sir—

A number of your readers will

have read the remarks made by one Aberhardt i. e., "Farmers Becoming Serfs."

Here I would quote: Those whom God wishes to destroy He first makes mad. Is this Abe's idea. What is being cooked up for the farmers. Is it confiscation of farm lands by a system of Harporths and pen-oths at a time or as Mr. Churchill said about Hitler, stealing by installments.

In Russia I should tell once more it is Collective Farming; In Canada, Compulsory Co-operation. This has recently been restyled Neighborly Farming.

I wonder will our farmers continue to snooze while our politicians are cooking up this swell dish—I wonder.

NEW WESTMINSTER

Effective Now

Prices of

TEA, COFFEE

AND

ORANGES

are reduced by law!

This action is taken in line with the Government's declared determination to stabilize living costs on a basis that is fair to all. It is a developing attack on the menace of inflation which arises out of wartime conditions. The prices of tea, coffee and oranges are now lowered by official order. Plans for reduction in the price of milk to the consumer are also under way and will be announced in the near future. The items chosen have been selected because of their important place in the weekly budget of every home in Canada.

TEA and COFFEE

Effective now—the retail price of tea is reduced by 10c per pound and the retail price of coffee by 4c per pound below the recent lawful ceiling prices.

The table below indicates how the reduction of 10c per pound applies to less-than-pound packages; and is for purposes of illustration only.

Tea formerly selling by the pound at	\$1.00	90c	85c
Must now sell at—			
per pound	90c	80c	75c
per ½ pound	45c	40c	38c
per ¼ pound	24c	22c	21c
per ⅛ pound	13c	12c	11c

BULK TEA

The reduction in the maximum retail prices of bulk tea sold in quantities less than a pound should correspond to the reduction in retail prices for the small sizes of packaged tea.

FOR EXAMPLE, if a line of bulk tea now sells at 70c per pound (reduced from 80c) then the maximum selling prices should be:

4 ounces	19c
2 ounces	10c

TEA BAGS

For some time tea bags have been packaged in cartons containing 2 ozs., 4 ozs., and 8 ozs. net.

Reductions in retail prices of tea packaged in tea bags must correspond to those made on packaged tea.

ORANGES

Oranges must be reduced to give consumers the benefit of the reduction in cost to retailers brought about by lower prices for the new crop, by seasonal removal of import duty (effective December 1st, this year) and by the removal of the War Exchange Tax. Oranges should sell at or below the September - October 1941 retail price levels.

Be Sure That You Get the Full Benefit of These Reductions

SPECIAL NOTICE TO RETAILERS:

Retailers will be compensated for any loss on present stocks—in order that these reductions may be enjoyed by the public immediately. Retailers should take inventory of their floor stocks of tea and coffee as of the close of business, Saturday, December 5th. They will shortly receive forms upon which to make their claims for compensation for losses on inventory due to these price reductions.

THE WARTIME PRICES AND TRADE BOARD

THE CORPORATION of the DISTRICT OF SURREY MUNICIPAL ELECTIONS

PUBLIC NOTICE is hereby given to the Electors of the Municipality of Surrey that I require the presence of the said Electors at the Hall, Cloverdale, B.C., on the 14th day of December, 1942, at twelve o'clock noon, for the purpose of electing persons to represent them as Reeve, Councillors, School Trustees and Commissioner of Police for the ensuing term.

The mode of nomination of Candidates shall be as follows: The Candidates shall be nominated in writing; the writing shall be subscribed by two Electors of the Municipality as proposer and seconder, and shall be delivered to the Returning Officer at any time between the date of this Notice and two p.m. of the day of nomination; the said writing may be in the form numbered three (3) in the Schedule of the "Municipal Elections Act" and shall state the names, residence and occupation or description of each person proposed in such manner as sufficient to identify such candidate; and, in the event of a poll being necessary, such poll shall be opened on the 19th day of December, 1942, at:

Municipal Hall, Cloverdale.
Tyneshead School House.
Port Kells School House.
South Westminster School House.
Salvation Army Hall, Liverpool Rd.
Port Mann School House.
East Kensington School House.
Elgin Community Hall.
Sullivan's Hall, Sullivan.
Clayton School House.
Halls Prairie School House.
Crescent School House.
Canadian Legion Hall, White Rock.
Newton School House.
Strawberry Hill School House.
White House, Pacific Highway.
Fleetwood Community Hall, Pike Road.
Hjorth Road School House.
Community Hall, Colebrook.
Community Hall, Coast Meridian Road, near Campbell River Road.
Surrey Centre School House.
Davidson's Store, corner Hjorth and Coast Meridian Roads.
Anniedale School House.
Woodward's Hill School House.
White Rock School House.
Sunnyside Community Hall.
Ocean Park Community Hall.
Olympic Garage, Trans-Canada Highway at Johnson Road.
Grosvenor Road School House.
Community Hall, Townline and Sandell Roads.
all in the District of Surrey.

Of which every person is hereby required to take notice and govern himself accordingly.
Given under my hand at Clover-

dale, B. C., this 29th day of November, 1942.

John G. Farmer,
RETURNING OFFICER

Theatre News

The Shadow of the Thin Man comes to the Park theatre for the beginning of the week. There's more fun in the latest of the "Thin Man" series. By this time, Bill Powell and Myrna Loy find their baby son growing up to be quite a lad, even if still very young. The family-type circumstances give occasion for a lot of horse-play.

Also International Squadron. A gripping drama of heroes of the air. See what the R.A.F. goes through daily crashing planes, Bombers, Air Raids, and Heroes aloft With Ronald Reagan, James Stephenson, Julie Bishop, Cliff Edwards and Reginald Denny.

For the end of the week there is Design For Scandal. Miss Russell as a beautiful but august woman judge who hangs a staggering alimony rap on Edward Arnold, photo service tycoon. In an effort to remove her from office, Arnold and his star photographer, Walter Pidgeon, cook up a plot to compromise her by having Pidgeon woo her and then have a previously planned fiancée sue her for alienation. Everything is straightened out however, in a hilarious courtroom closing sequence.

Also Wake Island. The story of Wake Island springs into dramatic existence again in the film of the same name. Gripping, inspiring, impressive. 385 Marines against a Japanese horde.

thanks a lot!

To you our passengers who have stood in loaded buses, have waited patiently when buses were late or taken off and have taken other irregularities on the chin without complaint, we say thanks a lot. You've understood that war conditions, troop movements, scarcity of materials and a dozen things make bus operation difficult, but we promise you we'll get through, we'll keep them rolling.

Continued from Front Page

ver shore, like sentinels of old. And out beyond the headlands sea meadows bloom in gold.

In all its pristine loveliness, and blessed by legends gray, Serene as cloudless sky above, lies Semiahmoo Bay.

'Tis good to reach this fairland and leave all care behind, To try to live the Golden Age and all its pleasures find.

'Tis good to breast the briny wave or walk the washed strand, And catch the happiness of children playing in the sand.

What joy and calmness fill our hearts brimming full each day, When deep and full the tide is in at Semiahmoo Bay.

When twilight draws her opal veil and works a magic spell, Sea-vistas lead us to those isles where souls enchanted dwell.

No need for reverie, for over head and round our feet Is everything so beautiful for love

to make complete. When time will let my mooring slip for ever and for aye, May I at last put out to sea from Semiahmoo Bay.

*** We hope to get permission to dip into this little volume again for readers of the "Sun." ***

Pamphlets— In the words of a well known radio announcer, "There's another thing I've thought about." Do you as a Canadian citizen obtain and profit by your fair share of Government pamphlets, and other government publications?

Some of our finest and best equipped men and women are those in certain branches of our civil service, the results of whose studies, observations and research often goes into print for our use. These pamphlets, maps, etc., may be obtained by addressing a "penny post card" to the King's Printer, Ottawa, or to our provincial capital, as the case may be. They are free of charge in many cases and for a nominal charge in others. Here is a source of reliable and useful information for the citizen too often neglected.

The subjects range all the way from:— The Athabasca Tar Sands and How to Feed Bees Canadian Building Stones and the Canning of Fruits and Vegetables; Canadian Fish and the thermic lines of the Arctic Circle; Migratory Birds and Truck farming; Chickens Raising and Canadian Hardwoods, and so on and on and on. Perhaps the information on the very thing you want to know about is waiting for you.

Buy some TB Christmas Seal Stamps.

The Great Northern Railway Announces Important Changes in Train Schedules Effective Sunday, December 6, 1942
